

# Get Ready to Create

Getting ready to create is important, so you have everything in place, just like an Artist.

Tick each box when you have completed the setting up, creating and packing down tasks.

---

## Ready ?

- I'm ready to make art today
  - Clear everything off your work bench and cover with an Art Cloth (or newspaper)
  - Place out all the Materials and tools you will need  
Brushes, drawing, glue and glue brush, paint with lids off, mixing plates, paper ...
  - I have a jar or pot of water ready to wash brushes
  - I have a Bucket ready for dirty brushes, paint water, or other
  - An area is ready for washing hands
  - I have my Smock on
- 

## ..get Creating ..

and enjoy the art making Process

---

## Now to Tidy Up

- Place the artwork out to dry
- Put all dirty brushes, paint water, rollers etc into the bucket ready to soak then clean
- Fold away table cover and take off your smock
- Wash and dry your hands.
